Bell Works is pet friendly; however, pet owners must clean up after their pet and notify security if accidents occur so proper disinfection can be performed.

Whoops! Did your pet have an accident? For your convenience, Pet Sanitation Stations are provided throughout the building. Please use these to clean up and discard of any used bags.

Dogs or other pets are not permitted on the carpeted areas, including turf.

All dogs must be harnessed, leashed, or tethered while in the common areas of the building. For safety purposes, the use of any harness, leash, or tether, that is longer than six feet is prohibited.

Dogs exhibiting aggressive behavior, and/or excessive barking will be asked to leave the building.

Unruly behavior and/or failure to comply with these rules will result in being asked to leave the building.
